### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. David Hurley on June 27, 2006.

The application has been amended as follows:

- A) Cancel claims 74 – 114, 123 – 131.
- B) In claim 1, line 14, after the word "apparatus" change "." into --- ; ---.
- C) In claim 1, line 15, insert ---the plurality of airfoil blades driving the wind turbine apparatus independently from the helically twisted blade when a leading edge of an airfoil blade is rotating in the opposite direction to the wind. ---.

2. The following is an examiner's statement of reasons for allowance: the remarks sent on 06/12/06 in combination with the amendments done to the claims are convincing. The prior art fails to disclose, a wind turbine having a helically twisted blade, a plurality of straight airfoil blades fixed with the helically twisted blade and defining a fixed spatial relationship with respect to each other, a turbine

mast having a longitudinal axis of rotation supporting the helically twisted blade and airfoil blades and both rotating in the same direction while maintaining a fixed spatial relationship with respect to each other during rotation and each, the helically twisted blade and the airfoil blades independently harnessing the wind for driving a turbine and the airfoil blades driving the wind turbine independently from the helically twisted blade when a leading edge of the airfoil blade is rotating in the opposite direction to the wind.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
